

June 14, 2025

Dear Friends,

I hope everyone's week was full of good. A couple of days of sunshine was a wonderful relief.

Today, many of our members will be attending the No King's Day protest at the Capital. We spoke to several people that were interested in our fellowship so be on the lookout for a few visitors soon.

Usual drivers for Brian and Rick are out of town on June 22. Please let Bob know if you are able to pick one or both of them up so that they can attend services.

This week's forum: Janice Leroux, "Earth Bound Awakening" Janice offers life coaching and safe-space guidance.

Next week's forum: Richard McGonegal, the former editor of the New Tribune will share information about his latest book.

This week's sermon: call that church free, by Rev. Dr. Matthew Johnson

We will reflect on what it means to belong to a free church. What does it say about us that our congregations are grounded in covenant, not creed? And that we govern ourselves, without bishops or outside authority – though we are in relationship with other UU congregations? And given this, how might this church meet the moment we face together? <https://www.youtube.com/watch?v=DW3PIMvDWkw&t=2905s>
