

December 27, 2025

Friends,

I am hopeful that all of you had a wonderful week of visiting friends, family and loved ones. Poppy and I certainly have taken advantage of this unseasonable weather and enjoyed several long walks.

This week's forum: Dr Quingbo "Roger" Yang, Lincoln University. "Forever Chemicals" in our food systems.

Next week's forum: Teresa Brown, The Alzheimer's Association. We will learn what to look for and what to do.

Lunch After Services- Please join us for lunch after the service.

This Week's Joys & Concerns:

If you have a joy or concern that you would like to have read during a service or shared in our weekly email, please submit it by noon on the Friday before through our website: <http://uufjc.org/joys--concerns.html>

We will also have paper forms available Sunday morning for submissions. Submissions made after noon on Friday may not be read or shared until the following week.

All members are welcome to attend our board meetings. The next meeting will be on December 28 after the service.

For two weeks, our fellowship collected non perishable items for the Salvation Army. These were delivered and gratefully received.

Prior to COVID, our fellowship had a group who prepared and served dinner on the 4th Friday of every month. I joined this group for a few dinners and it was "fun" ! I made some lasting friendships during this time. During COVID we began delivering a frozen meal to be prepared and served by Salvation Army residents.

Recently, I have been asked if we can resume our making and serving this meal.

Please contact me if you are interested, so I can begin to learn how to proceed.

With love and peace

Joan Kurtzeborn
