

January 17, 2026

Friends,

Rev Tom Bozeman will be providing a workshop for the congregation today from 9:30 am to 1:30 pm. Lunch will be provided.

**This week's forum:** Dr Darius Watson, Lincoln University Health & Security Sciences Institute. We will learn about the many entities involved in the new building which is going up on the LU campus.

**Next week's forum:** Jan Harcourt, "Somatic Experience" Mind-body interactions.

**This week's Sermon will be given by Rev Tom Bozeman**

Children attending in-person are welcome to join RE Instructor Dr Samantha Porter for a lesson during the service hour. January's theme: Practicing Resilience.

**Lunch After Services**- Please join us for lunch after the service this week at Longhorn Steak House.

### **This Week's Joys & Concerns:**

If you have a joy or concern that you would like to have read during a service or shared in our weekly email, please submit it by noon on the Friday before through our website: <http://uufjc.org/joys--concerns.html>

We will also have paper forms available Sunday morning for submissions. Submissions made after noon on Friday may not be read or shared until the following week.

All members are welcome to attend our board meetings. The next meeting will be on January 18 after the service.

SOCIAL JUSTICE NEWS SAVE THE DATE!!! WEDNESDAY JANUARY 21  
11:00 am RALLY AT THE CAPITAL ROTUNDA

I am anticipating this to be a big rally. Busses from throughout the state will be bringing those involved with social justice. Many different organizations will be participating.

Wear your yellow shirts so we can find one another. I will attempt to arrive early and save seats.

Peace

Joan Kurtzeborn

Blessings Always,

Mary Jo LaCorte

Weather or Not?

A presentation by Zach Leasor, State Climatologist on February 3<sup>rd</sup> 6:30 in the Missouri Regional Library Art Gallery

What's going on with the crazy weather we have been having? Is this just the way it is in Missouri or is there something more going on? Come listen to an expert in this area and find out for yourself.

Zack is an assistant professor in climate science within the University of Missouri School of Natural Resources. He also works as State Climatologist and director of the Missouri Climate Center. He also works with the National Weather Service offices and regional climate services to provide climate data and prepare special summaries of significant weather and climate events.
